Athletes and crew of the Knights of Valour are ready to entertain you in a style worthy of Kings!

The full contact medieval jousting show begins at 7:30 pm in the grandstand of the Norfolk County Fairgrounds.

The Knights of Valour represents a true experience of the Medieval Era. The **Knights of Valour** Jousting Troupe is growing and continues to be the premier full-contact jousting troupe in North America. Shane Adams, team captain, raised in Acton, Ontario was introduced to horses as a young boy when he started riding and showing Arabians with his family all the while dreaming of being a Knight fighting alongside such legends as Ivanhoe and Sir Lancelot. He's held onto these dreams and after working with various jousting and medieval shows, Shane created his own in the Knights of Valour. This CanAm team now boasts some of the top competitors in the current sport of Full Contact Jousting. Enjoy the “Knights in Shining Armour” along with Dame Jaelyn. No scripts, no choreography and no air bags!

“We’re excited to have the Knights of Valour come to the Fairgrounds.” said General Manager George Araujo. “It is 90 minutes of full contact Jousting with some of the world’s premier combatants riding fully armoured horses specifically trained for this medieval battle. Cheers for your hero and jeers for the Dark Knight ensure a great evening of entertainment.”

This performance is a fundraising initiative of the Norfolk County Fair and Horse Show. Come out and experience excitement, glory, and a sport unlike any other. “The Original Extreme Sport”
