

Dear Principal and Teachers,

We are very excited to be partnering with Ontario Power Generation to present the 2020 Read Your Way to the Fair Program. This year again, in consultation with GEDSB and BHNCDSB literary specialists, and the Norfolk Public Library we are going online with the entry process for the program and schools can win up to \$1,500 in total for their libraries by having kids register their reading online!

Attached you will find the Read Your Way to the Fair flyer outlining the details of the program. After each child reads, they can go online through the Fair's website (norfolkcountyfair.com) and enter the name of their school, the type of material they read (book, e-reading, etc.) and the title. **We will not be collecting students' names.** On Monday, October 5th at 5:00 pm, we will calculate the number of books that the students have read, and based on calculations with student population, announce the winning schools. First prize is \$750 for the school library, second place wins \$500 and third place wins \$250. We are so grateful for the generous sponsorship of Ontario Power Generation.

In addition, the winning school receives one McDonalds coupon per student (limit 1000) and a free admission ticket on Thursday of next year's fair. Thursday October 7th, 2021

This year there are many challenges facing our Teachers and Students. Our goal is to bring a small piece of the Fair to them to enjoy and hopefully strive to be the winning schools. More information can be found at norfolkcountyfair.com.

Thank you for your ongoing support of the Fair and our educational programs. Since we cannot put our regular fair packages together this year for the students, we hope that you will forward this information onto your teachers for their participation.

If you have any questions at all, please feel free to contact me directly at 519 426-7280 ext 228 or for general information please contact Wendy at 519-426-7280 ext.224

See you at the Fair!
